

Youth Ministry at University Lutheran Church of Hope

Through a focus on Faith Development, Community Building, Service, and Leadership Development, we strive to participate in God's work in the world and to demonstrate God's love to the world around us.

Faith Development

Continuing the Journey

How do we pass on faith as the journey of exploring, learning, questioning, and experiencing God continues?

Through worshipping our present and living God, participating in Confirmation, Sunday morning youth group, retreats, camping trips and practicing what it means to be evangelical, youth are given the opportunity to grow and explore their faith through discussion, scripture and outreach to one another and those around them.

Community Building

Building an integrated Christian Community

How do we build relationships with people our own age and all those in the church?

Through Sunday Socials where families go out for lunch together, ski trips, bbq's, lock-outs, bonfires and other retreats and trips, we interact in different ways that continue to build and nurture friendships with each other and with Christ.

Service

In the World and In our Community

How do we serve those in the world and here at University Lutheran Church of Hope?

By serving meals at Loaves and Fishes, hosting Families Moving Forward, participating in Urban Immersion, working at Global Health Ministries and Feed My Starving Children we get outside our comfort zone and grow in our understanding of what it means to demonstrate God's love to the world.

Leadership Development

How do we encourage leadership among youth and adults in the congregation and their participation in this ministry?

Adult leaders serve as examples of faith for the youth as they lead discussion on Sunday morning or lead a special retreat or lock-in. The youth serve as example of peer leadership for one another as they help with worship, help lead discussion or volunteer in other areas of congregational life.
