A comfortable place
to study and relax.

If you're looking for a quiet place to relax, pray, or need to get away from campus to study for finals, you've come to the right place. Come in and cool off in the summer, or warm up from the cold winter. With free wi-fi and plenty of space to spread out and work, ULCH is the perfect study hall away from campus.

University Lutheran Church of Hope is a welcoming, Christian community of faith centered in God's grace and called to demonstrate God's love for the world.
