# Reception Planning For Funerals

---

UNIVERSITY  
LUTHERAN  
CHURCH OF  
HOPE

Complex world. Thoughtful church

*We do not live to ourselves, and we do not die to ourselves. If we live, we live in Christ, and if we die, we die in Christ; so then, whether we live or whether we die, we are in Christ. Romans 14:7-8*

---

**On behalf of University Lutheran Church of Hope,  
we express our deepest sympathy for your loss.**

This brochure is intended to make your planning easier. It is a simple guide for planning a funeral reception to be held at the church.

**FACILITIES** There are two areas of the church that work best for a funeral reception.

- **The Fellowship Hall** seats 200 people, with additional seating for 80 more in Heritage Hall. Fellowship Hall is on the lower level with elevator accessibility.
- **The Lounge** may be used from small receptions of 30 or less. The lounge is on the main floor.

**ARRANGEMENTS** Receptions at University Lutheran Church of Hope is a service to members and friends of Hope.

It will be served by volunteers of the congregation.

Our servers will offer:

- Set-up, serving and clean-up for the reception
- A buffet table, lace-covered tables seating 8-10
- China, serving dishes, flatware, napkins, silk flowers
- Coffee, water, lemonade
- Cake for dessert
- Table and easels for pictures and memorabilia
- Assistance with arrangements if a meal is desired

**MEALS** If the family would like a meal to be served, the family will make arrangements with a caterer and the food is delivered to the church by the caterer or the family.

The family may choose to prepare food at home and bring it to the reception, ready for serving.

**CATERERS** A list of suggestions are on the back of this page
